College of Design

Art Department

Brief Justification

Fee increase requested due to rising costs of Classified salary and OPE: Lab Fees go to pay studio technicians in the relevant areas of study that the course fee is charged. Increase to salary in FY24 was approximately 6.5%.

Biology

Brief Justification

For field trips the bulk of the increase in the fee is to rent a bus that will transport the students to/from Eugene/OIMB. Additionally, some of the field trips charter a boat which the fees support. For the biology lab supplies, these were due to inflationary expense increase. AY23-24 actual exceeded fee collection by for these courses for biology lab supplies. Expenses are expected to continue to increase. Course 370: This course requires long plant experiment using various liquid nutrient solutions purchased from Carolina. Increase in cost is based off of last year's total spending needed for the course, which was double what we collected.

Physical Education & Rec

Brief Justification

PE Activity Fee: The PE department is self-support and operates on this course fee to cover course expenses including instructor wages, OPE, equipment, operations, etc. This fee is needed to match faculty wages and OPE increases as negotiated in the CBA. Scuba/Golf charged directly to the student in prior years, now adding to the course fee process.

Contractual Fee: Fee determined by vendor and negotiated in contracting process.
