Footnotes:

- 1 - Program is proposing the elimination of existing front-load tuition (higher first-credit cost) to simplify tuition structure while being revenue neutral and then apply inflationary revenue goal.
- 2 - Program is proposing that summer term tuition rate be brought in line with academic year tuition rate.
- 3 - Program is proposing to restructure and simplify the tuition structure for the MBA / MSF concurrent degree program which previously had two tuition structures.
- 4 - Program is proposing tuition increases rounded to whole dollars.
- 5 - Program tuition approval is off-cycle due to leading summer start.
- 6 - FWS tuition is plateaued from 9-16 credits.
- 7 - SUMMER tuition is plateaued from 9-16 credits.
- 8 - FWS tuition is flat rate regardless of credits.
- 9 - SUMMER tuition is flat rate regardless of credits.
